Office of the President
Local Boards, Bangalore District

Dated 27th December 1899

From,

The President Local
Boards, Bangalore District

To

The Secretary to the
Government of Bangalore
Revenue Department

Sir,

I have the honor to state that the Municipal Boards of Yelahanka, Sulyram Gundlupet, Huggaddevan Kote and Saragur propose the introduction of octroi on the marginally noted articles imported into their towns for consumption. I have herewith submitted for the information of Government

1. Cocoanuts (fresh)
2. ditto (dry)
3. Betel leaves.
4. Tobacco
5. Cloth.
6. Kerosine

Government two statements — one showing the receipts and expenditure of the said Municipalities for the last three years, and the other showing the rate and the estimated income from the articles, if subjected to ~~to~~ ad valorem duty. It may be seen that the expenditure exceeded the income in all the Municipalities for the last two years during which period the large balances that were at the credit of the Municipalities were utilized for the improvement of the towns. Since the [illegible]

of these municipalities is hardly sufficient to meet their requirements such as open-ing out the congested parts, laying out new roads, improving sanitation and drainage &c, the Municipal Boards have proposed to add to their income by levying octroi duty on the said articles. The sanctioned budget of the current year makes no provision what-ever for public works in Lyedabore and Gundupett, the former of which never-theless shows a surplus balance of Rs 91 and the latter has at its credit a balance of only Rs 8.. In the

Municipal

Municipalities of Uggaddevanakote
Saragur and Saligram the provi-
-sion made under Public works is
only Rs 220, 110 and 335 respectively,
which hardly meets the requirements
of the places. As the estimated closing
balances sanctioned for the current
year border on the prescribed mini-
-mum, I beg to submit that without
increasing the present income, all
hopes of improving the towns &
of maintaining them in good order
will have to be given up. to the
Collecting agency, it would

suggest that each of the paid munici-
-palities may be given a peon on
Rs 5/- per mensem for the present, as
in the case of Ulamarajnagar. I
request you will be good enough to
place the matter before Government
and obtain their sanction there-
for at an early date.

I have the honour to be
Sir,
Your most obedient servant

Board, Mysore District
